Dear **Rita**

Subject: Burroway Solar Farm – Response to Submissions - RFI 10 June 2025

I refer to your Request for Additional Information via email on 10th June 2025, requesting the information outlined in the below table.

RFI #	Request	Edify Response
DPIRG	An Agricultural Biosecurity Plan (as distinct from a Biosecurity Risk Management Plan)	Edify will include this in the CEMP and OEMP
	Removal of all above and below ground infrastructure as part of site rehabilitation should lead to restoration of land capability and should not be at discretion of planning secretary	Rehabilitation will lead to restoration of the land capability pre-development of the project as noted in EIS. Edify will refer to DPPI if they wish to remove 'at the discretion of planning secretary'
HNSW	Evidence that updated ACHAR has been sent to RAPs, and copies of any responses received	See attached, ACHAR update was provided 11 June 2025.
	Confirm whether OSOM routes will require ground disturbance and their potential impacts to Aboriginal Cultural Heritage objects	Confirmed, as noted in OSOM Route Assessment (RtS Appendix F TIA) no ground disturbance is necessary
