Tomago BESS – Environmental Management Strategy (EMS)

Dear Ms. Nettlefold

Thank you for submitting the Environmental Management Strategy in accordance with Condition C1, Schedule 2 of the consent for the Tomago BESS (SSD-57107216-PA-38). I also acknowledge your response to the Department's review comments and request for additional information.

I note the EMS contains the information required by the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the revised EMS (version 2, April 2026).

You are reminded that if there are any inconsistencies between the Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
