Dear Mr Meyer

Determination of Modification Request for the Core Facilities, Sydney International Convention, Exhibition and Entertainment Precinct (SICEEP), Darling Harbour (SSD 5752 MOD1)

I am writing to inform you that the above application was approved by the Executive Director, Development Assessments Systems & Approvals as delegate of the Minister for Planning and Infrastructure under Part 4 of the *Environmental Planning and Assessment Act 1979*.

The development consent incorrectly notes the date of approval as 20 February 2013. Please accept this letter as confirmation that the development consent was approved on **20 February 2014**.

A copy of the approval is enclosed for your records. The Director-General's assessment report is available on the agency's website:

I would also like to take this opportunity to highlight the NSW Government's commitment to increasing Aboriginal employment in NSW. The enclosed Fact Sheet highlights a number of initiatives developed by Aboriginal Affairs NSW to promote the employment of Aboriginal people in the public and private sector. You are encouraged to consider engaging Aboriginal people during the construction and operation of your project. Aboriginal Affairs NSW (www.daa.nsw.gov.au) can be contacted for further information.

The contact officer for this proposal, Matthew Rosel, can be contacted on 02 9228 6213 or via email at matthew.rosel@planning.nsw.gov.au. Please mark all correspondence regarding the proposal to the attention of the contact officer.

Yours sincerely,
