### **Mt Owen Continued Operations Project - SSD 5850**

I refer to your correspondence dated 21 January 2015 seeking comments for the abovementioned project.

The New South Wales Rural Fire Service (NSW RFS) has reviewed the application and advises a comprehensive bush fire management plan has been undertaken by the applicant for the site which addresses the bush fire measures outlined within *Planning for Bush Fire Protection 2006* for the proposed project.

Therefore the NSW RFS has no objection to the project, subject to compliance with the Mount Owen Complex Bush Fire Management Plan being implemented and to include the continued operations into the plan.

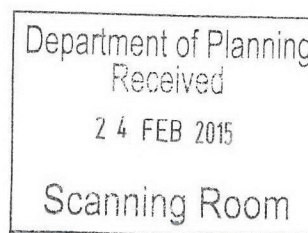

For any enquiries regarding this correspondence please contact Matthew Apps on 1300 NSW RFS.

Yours faithfully,

Nika Fomin
