SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 28/01/2015

NAME: Erin Hedley

ADDRESS: 2/7 King street Singleton NSW 2330

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I am in full support of the Mt Owen Operations Project.

I currently work full time for a courier company L. Pit Patrol. We provide a service of transporting parts efficiently to and from the mine.

An impact of a closure would have a detrimental effect to the industry not just employees but their families and countless suppliers.

Less jobs result in less money that is spent in the surrounding towns.

The Domino effect on the local businesses would be catastrophic. My Husband is an owner of a local business in Singleton and without the support of Mining Industry we would be forced to leave the town we love.

As a Government you have a responsibility of keeping people in a job. This is why it is important we keep the mines like Mt Owen in full operation as it provides a stable work force for generations to come.

Yours faithfully
