PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I 100% Support the MOCOP because mining is critical to the continued prosperity of this town (Singleton), this region, this state and this nation. MT Owen has been a great Local Citizen and supporter and asset for a long time and should with out a doubt continue for a very long time into the future. It is critical that the NSW Government support Mining Investment 100%. If a mining Company is prepared to invest, employ and ultimately provide livelihoods and countless benefits for all, roll out the red Carpet. NSW Gov needs to support NSW, Support the people so to do this projects like MOCOP need to go full steam ahead!!

Yours faithfully
