Address:
36 Barton Avenue

singleton, NSW
2330

Content:
I was born in singleton 65 years ago & have lived in Bulga/Singleton my entire life & have raised my two children in Singleton.

My husband has not worked in the mining industry, however as a local tradesman (painter) he has worked for many people who have been employed or supported by local mines.

I think if this is not approved, the affects will not be good for our community.
