SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 23/1/15
NAME: Simon Bowden
ADDRESS: 74 Ironbark Rd Muswellbrook 2333

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I support the continued Operations of the Mt Owen mine as they are proactive and responsible mining operation. Always aware of their environmental responsibilities and dust management. They are one of the only mines that have a contractor (Thiess) the main production operators and have a good relationship with them. Continued to offer stable employment and in the current climate of rising unemployment that's a big positive. They support local industries and I fear that if Mt Owen did not continue small businesses such as Pirstek would move out of Muswellbrook and I as a resident want to see the towns thrive not turn into ghost towns.

Yours faithfully
