NAME: Roger Fooks.

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I am currently an employee at the Mt Owen mine and support the continued operations.

Not only would Mt Owen mine extension benefit me and my family, but also the hundreds of families and the many business that are local.

Not only do the businesses at Mt Owen donate to the local communities but so do the employees, for example Westpac Helicopter, Singleton Respite, McGrath Foundation, Autism Foundation, Singleton community support and many more.

The Continued operations plan would secure jobs and bring major economic benefits to the local community.

Yours faithfully
