PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I give my full support for the MT OWEN project. I have worked at MT OWEN since 2008 and it is run in a very professional way & always moving forward with ideas to help MT Owen employees. Mining has supported my family all my life & now supports my immediate family. Mining not only supports the families of MT Owen but the wider community & smaller businesses. Without mining at MT Owen no job no life.

Yours faithfully

J. Hedge
