APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I fully support The Mt Owen continued operations project.

My Reasons for this it provides an income for workers and employers. With out these workers the whole community struggles take away these workers income you take away there families and their Expendables. With out their income Expendables small and Big Business suffer and will loose income for their families and it becomes a chain reaction. Mining spends Big on communities so don't effect this one.

Yours faithfully

Wayne Rielly
