Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I support the Mt Owen continued Operations Project as it is my work place. Not just only a work place but a work place that I feel comfortable in, it sustains a lot of employment for fellow work mates and also supports their families and well being. After recently moving my family from the coast to the local area of muswellbrook I would greatly appreciate the opportunity of continuing to work here.

Yours faithfully
