SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 10/2/15

NAME: Scarlet Agnew

ADDRESS: 43 Gardiner Circuit, Singleton NSW 2330.

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I, Scarlet Agnew wish to support the Mt Owen continued operations project. I currently work as a trainee administrator for the courier business Pit Patrol, along with 60 other employees. Our company relies predominately on the mining industry & in particular Mt Owen. Mt Owen is integral to our company - as it helps accommodate job security for myself & all employees at Pit Patrol. Through extending Mt Owen operations you will be protecting hunter jobs and creating fulfilled job opportunity for new & existing employees of Mt Owen & its suppliers. This will reduce unemployment rates within the community and assist in regenerating money back into local business & the Hunter Valley. All my immediate family work within the mining industry & have already experienced the effects from ^{the} Drayton South project being rejected. It would be disappointing to see yet another pit short-lived.

Yours faithfully
Scarlet Agnew.
