NAME: VERN FOWLER

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I fully support the Mt Owen Continued Operations Project. The few main reasons for my support are as follows: (1) Mining employs a vast majority of the population in Singleton and surrounding areas, without the mine, there would be many families unemployed. (2) Increased revenue for our Government. (3) Increased commercial opportunities for local business. (4) - The continuation will play a major role in the mining company recruitment of apprentice's and trainee's, thus increasing the skill base of our community. (5) Mining is an integral part of Australia's income, livelihoods, and future.

Yours faithfully

V.E. Fowler
