**Content:**

Hi my name is Ashlee and I am 28, I am a wife of a contractor employed by Mt Owen, we have two babies under the age of 3 and I am a stay at home mum. I support the continuation of Mt Owen for a number of reasons.

\* My husband has a passion for what he does, he is a hard worker, smart and loves to learn... he enjoys the challenges that he faces daily and works hard for his company, employers, workmates and to provide for his family.

\*If this project was to discontinue it not only brings a financial burden over our heads and thousands of other families... but lets face it, its not exactly an easy industry for him or anyone to get alternative work, I, myself would have to go back to work and send my children to daycare which is not in our financial budget.

\*Not only would this be a personal loss it would be a major loss to the community and hunter region, it would affect not only thousands of families but the businesses in the surrounding areas.

Please consider all of the above

Ashlee
