

Director, Mining Projects
Department of Planning & Environment
GPO Box 39
SYDNEY NSW 2001

SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 4.2.15

NAME: W.P. Bullock

ADDRESS: 13 PARKVIEW CRESCENT SINGLETON

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

After working 18 years at Mt Owen, I can personally say it does its best to maintain high standards in Environmental & Social issues & all other obligations. I believe the Mine continuation should be approved it employs about 500 people who live in nearby towns or within the local Shire. The Mine is situated in an area that I believe isn't overly sensitive socially or Environmentally but is maintained ~~at the~~ & operated at the highest level possible. The Mine owners donate a lot of money to local communities for all types of projects etc.

Yours faithfully
W.P. Bullock
