SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 25-1-15

NAME: Michael Charlton

ADDRESS: 16 Legendary CCT Gillieston Heights, NSW, 2321

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I am in support of this project, working for a small contracting company whom rely on these functional minesites. I support Thiess continued operations project.

Thiess and Glencore have always been extremely diligent in their work and ability to follow all necessary requirements for their project.

Mt Owen Mine site is a valuable resource for the hunter valley, creating a range of jobs, providing skilled workers for the future, financially supporting their community. Without this expansion the hunter valley will be negatively impacted for the long term.

Thank you for taking the time to read my submission.

Yours faithfully

Michael Charlton
