Address:  
Hebden Road

Singleton, NSW  
2330

Content:

Mt Owen mine has successfully operated within the local community for many years, supporting local organisations and providing employment opportunities for many individuals and families. The mine extension would only further enhance this & provide more Jobs!!! (exactly what the HV needs!)

Our incomes are spent throughout the wider Hunter Valley Community ... our children have employment opportunities with mines and their supporting industries ... business grows and infrastructure in built .... it all makes perfect sense for the expansion to progress.
