**PROJECT NAME:** Mt Owen Continued Operations Project

**APPLICATION NUMBER:** SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I am a resident of Singleton + Strongly support the extension of Mt Owen mine. I believe that without this continuation the local economy will be negatively impacted which in the current climate would be disastrous.

We cannot afford as a community to lose anymore mines as it not only effects the employees but all of Singleton's businesses

Yours faithfully

R Stokes
