SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 18/2/15

NAME: Glenn Toner

ADDRESS: 1 Laverick Avenue, TOMAGO 2332

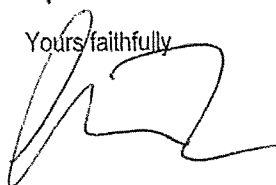

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

The MtOwen mining complex, in one form or another, has been a customer of my company QMS Razer (CR) for around 10 years. In this time CR's experience of the MtOwen operations & organisation is that they hold themselves to a standard of good corporate citizenship in line with worlds best practice and act in accordance with that. For example, the MtOwen operations in CR's experience have a strong safety culture, and actively monitor & expect CR as a supplier to have the same line of thinking. Further, CR recognises that MtOwen is a strong supporter of Australian companies, particularly those in the local footprint, who along with MtOwen are actively investing in the strength of the mining industry in the region and are professional members of the Hunter Valley community.

Yours faithfully

GLENN TONER
