242 Beaumont Street

Hamilton South, NSW
2303

Content:

I support the project at Mt Owen Mine for continued operations.
The mine creates financial support to me and my family, and also the community around the area.
If the mine did not go ahead for years ahead, would impact the local communities, charities, families, with possibility of being forced out of Singleton / Muswellbrook to find other employment.
I 100% support this.
