Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

As a resident of the Hunter Region. I wish to demonstrate my very strong support for the MT OWEN Continued Operations Project.

My reason for supporting this project are primarily economic. The coal mining industry contributes significantly to the ~~Hunter~~ Economies of the Hunter Region, the State of NSW and the National economy.

Any decision to not approve this project proposal will have even further negative impact upon the local employment situation + the local economy.

Yours faithfully
