Support

I'm an employee of Mt Owen Mine,

The mine itself and Thross who I'm employed by is a great little mine compared to other big ones.

I have noticed in my short time here that everything is done to ensure dust is kept down, noise is kept to a minimum, and the work that is done to ensure the habitat in the new rehab areas is looked after.

It also provides myself with employment and stability for my family and our future.

Yours faithfully
