SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 22/11/2015

NAME: Blade Constable

ADDRESS: 9 Pankhurst Avenue
Singleton NSW 2330

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I SUPPORT the extension project at Mt Owen Mine. As a member of the local community, Singleton and the Hunter need the continuation of this mine to support local families and businesses. Without mining the Hunter Valley would be a ghost town and there would be no future here for my child. Our household, and most others in the Hunter rely on Mining to survive. It is important for our future and survival that this project is supported and approved. Mining and communities have worked together for hundreds of years, lets keep this going. I fully support mining in Australia and in particular at Mt Owen Mine.

Yours faithfully
