SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 4/2/15

NAME: Jessie deGraaf

ADDRESS: 193 Retreat Rd, Wattle Ponds 2330

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I support the Mt Owen Continued Operations as it is essential for the Singleton Community and local businesses.

If the project does not go ahead Singleton Residents will be forced to move away to pursue other careers and the local businesses will go under.

I work in a business where MT Owen is a source of income that supports hundreds of employees and if the project was not granted our business would struggle to stay afloat like many other businesses in MTW facility.

The Singleton community can not afford to lose any more jobs or companies.

Yours faithfully
