

Director, Mining Projects
Department of Planning & Environment
GPO Box 39
SYDNEY NSW 2001

SUBMISSION TO GOVERNMENT REGARDING THE MT OWEN CONTINUED OPERATIONS PROJECT

DATE: 4/2/15
NAME: Steven de Graaf
ADDRESS: 193 Retreat Rd Wattle Ponds NSW 2330

PROJECT NAME: Mt Owen Continued Operations Project

APPLICATION NUMBER: SSD5850

Please write below statement of whether you support or object the Mt Owen Continued Operations Project and your reasons why:

I have been employed at Thiess Mt OWEN for 3 years and prior to them for 30 years with contracting firms throughout the Hunter Valley which rely heavily on the mining industry and if ~~and if~~ this mount owen continued operations project application number (SSD 5850) is overlooked along with several other applications the flow on effect of job losses in the industry as well as all the small business and their staff which you can already see in Singleton area will be catastrophic for the area. We need to approve these applications to create more job opportunities for our children and to have positive growth for the Hunter Valley.

Yours faithfully
