I wish to express my support for the Mt Owen Project.

I have worked here for 14 Years & was born & bread in Singleton - am now 40 & i support the local community by shopping locally, i live locally & so do the rest of my family.

If Mt Owen does not proceed, the impact on the Singleton, muswellbrook, cessnock districts will be devastating, as it has been gradually getting worse. The mine has a good relationship with our neighbours & actively support local businesses & charities.
