Subject: Mount Owen Continued Operations (SSD-5850) - Revised Blast Management Plan

Dear Mr Moreno,

I refer to your submission dated 6 December 2024, requesting approval of the revised Mount Owen Glendell Operations (MGO) Blast Management Plan (Version 8.0, dated December 2024).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent for Mount Owen Continued Operations Project (SSD-5850).

Accordingly, as nominee of the Planning Secretary, I approve the MGO Blast Management Plan (Version 8.0, dated December 2024).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail. Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,

Jack Turner
