Subject: Mount Owen Continued Operations (SSD-5850) - Revised Blast Management Plan

Dear Mr Moreno,

I refer to your submission 22 December 2025 requesting approval of the revised Blast Management Plan (Revision 9, December 2025), prepared in accordance with Schedule 3, condition 15 for the Project (SSD-5850).

The Department acknowledges the revision consists of minor administrative and operational updates following the approval of Modification 10 of SSD-5850 on 9 September 2025. The Department notes that in accordance with Schedule 2, condition 18, consultation with the relevant parties in Schedule 3, condition 15 is not required given the administrative nature of the revision.

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of consent under SSD-5850.

Accordingly, as nominee of the Planning Secretary, I approve the revised Blast Management Plan (Revision 9, December 2025).

You are reminded that if there are any inconsistencies between the Plan and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Kiera Plumridge at kiera.plumridge@dpie.nsw.gov.au.

Yours sincerely,
