Re: Mt Owen Project Approval SSD-5850 – Planning Agreement

Dear Joe,

This letter is for Mt Owen Glendell Operations (MGO) to seek a further time extension of three (3) months to make suitable arrangements for the entering of a Planning Agreement with Council, as required under conditions 15 and 16 of Schedule 2 of SSD-5850.

As discussed on the 30th November 2020, Glencore's negotiations with Singleton Council are progressing, however, have not been finalised to date. A time extension is requested until 4th March 2021. As an update, this agreement has been agreed by Glencore and is planned to be signed off by Singleton Council on the 7th December 2020. Singleton Council correspondence to confirm the signing can be found in Appendix A of this letter.

If you have any questions regarding the above, please don't hesitate to contact myself.

Kind regards,

Jason Desmond
