Dear Mr Desmond,

**Mount Owen Continued Operations Project
Revision of Management Plans Following Determination of Modification 5**

I refer to your letter (dated 20 January 2021) regarding the Mount Owen Strategies, Plans and Programs requiring revision following the recent determination of Mount Owen Continued Operations Project Modification 5 (SSD 5850 MOD 5) on 15 January 2021.

The Department considers that only the Biodiversity Offset Management Plan (BOMP) needs to be revised following the determination of Modification 5. Mount Owen will need to revise and resubmit the BOMP by 15 April 2021.

Mount Owen should continue to implement all other Strategies, Plans and Programs currently approved by the Department without the need for revision.

If you have any further questions regarding this matter, please contact Joe Fittell on the details above.

Yours sincerely
