Dear Mr Desmond

**Mount Owen Continued Operations (SSD-5850)  
Biodiversity Offset Management Plan**

I refer to the revised Biodiversity Offset Management Plan which was submitted in accordance with Condition 29 of Schedule 2 of the condition of consent for the Mount Owen Continued Operations (SSD-5850-PA-47).

The Department notes the management plan was revised to incorporate the requirements of Modification (2, 5 and 6) Biodiversity Credits.

The Department has carefully reviewed the document and is satisfied that it generally meets the requirements of the conditions.

Accordingly, the Planning Secretary has approved the revised Biodiversity Offset Management Plan (Revision 7, dated June 2021). Please ensure that the approved plan is placed on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Charissa Pillay on 02 99955944.

Yours sincerely
