Joe Fittell  
A/Principle Planning Officer  
NSW Department of Planning Industry and Environment  
GPO Box 39 Sydney NSW 2001

**Re: Mt Owen Project Approval SSD-5850 – Planning Agreement**

Dear Joe,

This letter is for Mt Owen Glendell Operations (MGO) to seek a further time extension of three (3) months to make suitable arrangements for the entering of a Planning Agreement with Council, as required under conditions 15 and 16 of Schedule 2 of SSD-5850.

As per the previous extension request, Glencore's negotiations with Singleton Council are progressing, however, MGO is awaiting the final signed version of this VPA. A time extension is requested until 4<sup>th</sup> September 2021. As an update, this agreement has been agreed by Glencore and partially signed off with Singleton Council on the 7<sup>th</sup> December 2020. MGO is awaiting the final signed copy to provide to DPIE to satisfy the Mt Owen consent as per correspondence found in Appendix A of this letter.

If you have any questions regarding the above, please don't hesitate to contact myself.

Kind regards,

Jason Desmond  
Environment and Community Manager  
Mt Owen / Glendell Operations – Glencore

### Action Items

Mary Anne

I understand that this is now finalised and as such could you please send the signed copy of the VPA for our records and to ensure compliance as required by our consent.

Thank you & regards

Steve

### External sender

Hi Michael

I provide the following update;

Unfortunately, the document that we received from Marsdens is different to the original. It has an additional map that wasn't in the first one that was signed by all parties.

My EA is chasing this up with Marsdens and we expect this to be resolved next week, however I'm out of the office next week and as such won't get be around to sign it until the week after next. We will get it across to you that week.

Regards

Justin

Michael – we have just received a word version from Marsdens and this will allow us to make the necessary changes.

The redrafted document will be pulled together tomorrow and all going well it should be ready to pick up Friday or Monday, depending on Jason's availability. We will let you know tomorrow.
