Dear Mr Desmond

**Mount Owen Continued Operations Project (SSD 5850)
Extension of Time to Finalise Planning Agreement**

I refer to your letter dated 21 May 2021 requesting an extension of time to finalise a Planning Agreement with Singleton Council, as required under conditions 15 and 16 of Schedule 2 of the development consent (SSD-5850).

The Department notes Glencore and Singleton Council have agreed on the content of the Planning Agreement and Glencore is now awaiting a final signed copy of the document to be provided by Singleton Council. The Department understands that a further extension has been requested to allow finalisation of the agreement by Singleton Council. Consequently, the Planning Secretary has granted the requested extension.

Please ensure that the Planning Agreement is finalised by no later than 4 September 2021.

Yours sincerely,

Matthew Sprott
