**Re: Mt Owen Glendell Operations SSD-5850 and DA80/952  
Environmental Management Strategy Revision**

Dear Joe,

As per Schedule 5, Condition 2 of Mt Owen SSD-5850 and Glendell DA80/952, Mt Owen Glendell Operations (MGO) are required to prepare a Environmental Management Strategy (EMS) to the satisfaction of the Secretary. MGO has updated the existing EMS in accordance with Schedule 5, Condition 6 of SSD-5850 and Schedule 5, Condition 6 of DA80/952. These updates were required following a review of MGO plans, strategies and programs undertaken during development of the 2021 Annual Review.

MGO are therefore seeking DPIE approval of the revised EMS. Please don't hesitate to contact me if you have any questions on this matter.

Kind regards,

Jason Desmond
