Dear Mr Desmond

**Mount Owen Continued Operations Project (SSD-5850) and
Glendell Open Cut Coal Mine (DA 80/952)
Consultation of Rehabilitation Management Plan**

I refer to the *Mount Owen / Glendell Rehabilitation Management Plan* (RMP) which was submitted to the Department for consultation in accordance with condition 45 of Schedule 3 of the SSD 5850 and condition 40 of Schedule 3 of DA 80/952.

The Department has carefully reviewed the document and has number of comments which are provided in the table attached to this letter.

The Department also notes that the conditions of consent for SSD 5850 state the RMP must be prepared to the satisfaction of the Resources Regulator. The Department suggests seeking an administrative modification to SSD 5850 to contemporise these conditions and reflect the recent reforms of the *Mining Regulation 2016*.

If you wish to discuss the matter further, please contact Joe Fittell on (02) 4908 6896.

Yours sincerely

Stephen O'Donoghue
Director
Resource Assessments
As nominee of the Secretary
