Subject: Approval of Environmental Management Strategy

Dear Mr Moreno

I refer to the revised Environmental Management Strategy which has been submitted in accordance with condition 2 of Schedule 5 of the development consent for the Mt Owen Mine (SSD-5850) and condition 2 of Schedule 5 of the development consent for the Glendell Mine (DA 80/952).

The Department has carefully reviewed the document and is satisfied that it meets the requirements of the relevant conditions of SSD-5850 and DA 80/952, noting the conditions were mostly administrative in nature.

Accordingly, as nominee of the Planning Secretary, I approve the revised Environmental Management Strategy (version 8.0, dated October 2023).

You are reminded that if there are any inconsistencies between the Environmental Management Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact me on (02) 4908 6896.

Yours sincerely
