No.	Action	By
1.	Street furniture along Boulevard should be bespoke as scale of City of Sydney palette would not be relevant.	Note
2.	Built form lighting should be considered as part of overall precinct lighting strategy.	Lend Lease
3.	Site visit suggested to understand Macarthur Street access.	INSW
4.	Permanent at-grade solution for Macarthur Street access to be applied for in next round of development applications.	Lend Lease
5.	Natural ventilation and daylight should be investigated for all residential lift lobbies.	Lend Lease
6.	Consider urban marker for façade of south west residential tower at apex of Macarthur Street.	Lend Lease
7.	Support use of colour in building facades.	Note
8.	Site visit to Urbanest student housing building to be arranged.	INSW

9.	Entrance of the student housing building on the southern side at Macarthur Square is supported.	Note
10.	Encourage investigation of potential relationship between future northern student tower with current design of southern student tower.	Lend Lease
11.	Overland flow in bioswale to the west of commercial building will require careful design to ensure balance of activation, amenity and CPTED issues in this location.	Lend Lease
12.	Consider PV cells on roof of commercial building.	Lend Lease
