 Dear Mr Kaur,

Thank you for your request for EPA comments on the 3 development applications lodged for the Haymarket Precinct of the Sydney International Convention Exhibition and Entertainment Centre. I apologise for the delay in providing a response.

The EPA will not be providing comments on development applications SSD 6010, SSD 6011 and SSD 6013, other than to note that all activities during construction and operation should be undertaken in accordance with relevant noise guidelines.

Please call me if you have any questions.

Kind regards,

Mark

Dear Mr Garofalow,

Following up on my previous email, I writing to bring to your attention that the Department has not yet received EPA comments on the 3 development applications lodged for the Haymarket Precinct of the Sydney International Convention Exhibition and Entertainment Centre.

Could you please confirm if EPA will be providing its comments to the Department.

If EPA does not wish to provide any comments on these applications, could you please let me know by return email

Thanks

Kind Regards

Guneet

Dear Mr Garofalow

This email is a reminder that the Department is awaiting comments from your organisation on the three development applications lodged for the Haymarket Precinct of the Sydney International Convention Exhibition and Entertainment Centre. The Department was expecting to receive your

submission by COB Friday, 2 August 2013. However the comments have not yet been received.

The department is running under a very tight time frame for these projects and your assistance in providing the comments by COB 6 August 2013 would be appreciated. If your organisation does not have any specific comments in regards to these applications, I would appreciate if you could kindly revert to my email with a short statement clarifying that you do not wish to provide any comments on these applications.

The Development Applications in consideration are:

SSD 6010: Construction of one residential building within the Darling Drive Plot to be used for student accommodation together with associated public domain improvements

SSD 6011: Construction of a mixed use development, including three residential towers above a commercial/ retail/ residential podium level within the South West Plot, together with public domain improvements

SSD 6013: Construction of a mixed use commercial office building & above ground public car park within the North West Plot, together with public domain improvements.

The EIS for these applications were on public exhibition from 19 June 2013 to Friday 2 August 2013.

The information on the three development applications was sent out to you on a CD on 17 June 2013.

If you have any questions regarding your submission, please do not hesitate to contact me on 9228 2048 or Matthew Rosel on 9228 6213.

Kind regards,

Guneet Kaur
