Dear Mr Rosel

Proposed Modification to Student Accommodation Building W2 at the Darling Drive Plot, Sydney International Convention, Exhibition and Entertainment Precinct (SSD 6010 MOD 1) - Notice of Exhibition

Thank you for your letter dated 10 November 2015 requesting Transport for NSW (TfNSW) comment on the above.

TfNSW has reviewed the submitted information and has no concerns with the proposed modification on the basis that:

- The proposed communal rooftop terrace is on the eastern side of the W2 Student Accommodation building; and
- Measures will be in place to prevent resident access to the western side (light rail side) of the building in order to prevent residents throwing objects over the side and into the Light Rail corridor.

Thank you again for the opportunity of providing advice for the above modification proposal. If you require clarification of any issue raised, please don't hesitate to contact Para Sangar, Senior Transport Planner, Land Use Planning and Development on 8202 2672.

Yours sincerely

11/12/15
