Thank you for your email message dated 25 October 2016, requesting Transport for NSW (TFNSW) review and comment on the above.

TFNSW has reviewed the submitted information and advises that the applicant should update the Construction Pedestrian and Traffic Management Plan for any changes to the construction activities that are likely to impact on general traffic and bus operations in the CBD, as well as the safety of pedestrians and cyclists in consultation with the CBD Coordination Office within TFNSW.

If you require clarification on the letter, please don't hesitate to contact Mark Ozinga, Principal Manager Land Use Planning and Development on 8202 2198.

Yours sincerely
