Hi Amy,

With regard to the Transport for New South Wales (TfNSW) submission, we can confirm that there are no changes required to the Construction Pedestrian and Traffic Management Plan. The proposed modifications sought as part of the modification application do not result in any significant changes to the construction process, therefore do not result in any inconsistencies with the Construction Pedestrian and Traffic Management Plan.

Regards
Brendan

Hi Brendan,

Thanks for your email.

Nothing yet from Council- I did try to call at the back end of last week but I couldn't get through. I will send a chasing email and see how we go.

I have also just received the attached comments from TfNSW.

Kind regards,

Amy
