Boiler Emissions Statement

Dear Rebecca

Umow Lai are responsible for the design of hot water systems for the Food Processing and Packaging Facility at Part Lot 2304, Templar Road, Erskine Park, and will be specifying the boilers associated with these systems.

The design of hot water systems is currently in progress and as such the specification for the boiler is not confirmed at this stage.

We can confirm that the boiler selection in regards to emissions will comply with the POEO Act and represent best-practice.

Yours Sincerely
UMOW LAI
