Name: Ian Dance
Organisation: retired ()
Email: i.dance@unsw.edu.au

Address:
Apartment 501

Dawes Point, NSW
2000

Content:
I am a resident of Walsh Bay, and a strong supporter of the visual and performing arts in Sydney.

I have inspected the current planning concept documents.

I very strongly support this development. All aspects of the plan are very impressive, and will work very well in this location.

I assume that effective sound-proofing of the Pier 2/3 performance spaces is included, comparable with the sound-proofing in the performance spaces on Pier 4/5.
