Public Notices

THE Bloomfield GROUP
WE CARE. WE DELIVER.

Notice of a Development Application for State Significant Development under Part 4 of the *Environmental Planning and Assessment Act 1979* in accordance with section 23(3)(b) of the *Environmental Planning and Assessment Regulation 2021*.

Proponent: Bloomfield Collieries Pty Limited (ABN 76 0001 069 72)

Application No: State Significant Development Application 60774228

Project: Rix's Creek North Continuation Project

Project Description: Bloomfield Collieries Pty Ltd **(Bloomfield)** has lodged a State significant development application for development consent under Part 4 of the *Environmental Planning and Assessment Act 1979* for the Rix's Creek North Continuation Project (the **Project**). The Project would facilitate continued mining operations at Rix's Creek North mine for a further 14 years until 2049, including the extension of the Falbrook and Camberwell pits, changes to the final landform, and the transfer of overburden and reject material between Rix's Creek North and South. Approximately 4 km of the New England Highway would also be realigned to support the recovery of the coal resource, while the peak Run of Mine coal extraction rate would be reduced from 6 million tonnes per annum to 4.8 million tonnes per annum.

The Project is State Significant Development as set out in section 5 of Schedule 1 of the *State Environmental Planning Policy (Planning Systems) 2021*.

This notice is published by Bloomfield, as the applicant for the Project, in accordance with section 23(3)(b) of the *Environmental Planning and Assessment Regulation 2021*.

An Environmental Impact Statement (**EIS**), prepared in accordance with the *Environmental Planning and Assessment Regulation 2021*, accompanies the State Significant Development application for the Project. The application and EIS will be publicly available on the NSW Department of Planning, Housing and Infrastructure website at https://www.planningportal.nsw.gov.au/major-projects/projects/rixs-creek-north-continuation-project

Site Description: The Project is located within the Singleton Local Government Area, approximately 5 km north of Singleton, and encompasses all land within the RCN Project Boundary and RCN Continuation Project Boundary Extension Area shown indicatively on the following plan, including, for the avoidance of doubt, those parts labelled 'Additional Project Disturbance Area':

Bloomfield note that the above map includes the following Lot and Deposited Plans within the RCN Project Boundary and RCN Continuation Project Boundary Extension Area (Lot/DP):
