**Subject:** Amendment of Application

Dear Mr Zafari

I refer to the Amendment Report which was submitted on 8 August 2025 in accordance with the *Environmental Planning and Assessment Regulation 2021* (the Regulation) for Hume North Battery Energy Storage System (SSD-61842974).

The Amendment Report has requested the following changes:

- minor refinements to the site layout including to the access track, substation and BESS;
- inclusion of a 20, 000 L water tank for fire fighting purposes;
- inclusion of an addition detention basin; and
- supplementary vegetation screening along the northern boundary and site entrance.

The department has reviewed the Amendment Report and is satisfied the proposed changes constitute an amendment.

Accordingly, I as delegate of the Independent Planning Commission approve the application for the amendment.
