

Dear Pragya,  
Thank you for the reminder.

The Response to Submissions and the Amendment Report do not contain any specific changes to nighttime lighting. The Observatory is comfortable with the measures to reduce the impact of lighting on the night sky that are described in Appendix J of the EIS.

Kind Regards,

Chris Lidman

Good afternoon,

I would just like to follow up on the Department's request for advice on the Submissions and Amendment Report for the Kingswood BESS project.

The due date requested (as in the below email) was the 2/5/2025. Please advise when SSO will be able to provide their response.

Thank you,

Kind regards,
