No problems. We are very unlikely to have any comments however that is the main document we would focus on.

Hi Tim,

Thanks for letting me know.

I will look into that – we do not upload the documents to the portal, it is whatever the Applicant has uploaded.

Kind regards,

Hi Ania,

The overlay plan which is Appendix B to the SEE appears not to be included on the project page?

Good Morning,

The Department has received a modification application and Statement of Environmental Effects (SEE) from Ethos Urban on behalf of CIP/CH (Bringelly) Pty Ltd in respect to the Bringelly Road Business Hub in the Western Sydney Parklands (**SSD 6324 MOD 4**).

The modification application seeks a realignment of the approved subdivision of the Bringelly Road Business Hub. Further detailed surveys have been undertaken post approval and the proposed subdivision plan is an accurate representation of the lot boundary locations.

The Department would like to invite your comments on the modification application and SEE by **COB Wednesday 18 September 2019**.

Please find SEE and revised subdivision plan in the Major Projects portal, <https://www.planningportal.nsw.gov.au/major-projects/project/25206>

If you have any questions, please do not hesitate to contact me.

Kind regards,

Ania Dorocinska
