**Oberon Quarry Continuation Project – Blast Management Plan**

Dear Mr Hargraves,

I refer to your submission requesting approval of the Blast Management Plan (BMP) (Version 9, May 2025), submitted in accordance with Schedule 5, Condition 5 of the development consent (SSD\_6333).

I note that the BMP has been updated to reflect that John Hackfath is no longer a relevant landowner.

I have reviewed the document and am satisfied that it meets the requirements of the relevant conditions of consent. Accordingly, as nominee of the Planning Secretary, I approve the BMP.

You are reminded that if there are any inconsistencies between the document and the conditions of consent, the conditions prevail

If you wish to discuss the matter further, please contact me via email:
