Subject: Oberon Quarry Continuation Project – Transport Management Plan

Dear Ms Pringle,

I refer to your submission requesting approval of the Transport Management Plan (Version 3, May 2025), submitted in accordance with Schedule 3, Condition 21 of the development consent (SSD_6333).

I have reviewed the document and note changes pertain to the removal of Umwelt branding and the location of public records of truck movements and complaints. Accordingly, as nominee of the Planning Secretary, I approve the Transport Management Plan.

You are reminded that if there are any inconsistencies between the document and the conditions of consent, the conditions prevail.

If you wish to discuss the matter further, please contact me on 9274 6283 or carl.dumpleton@dpie.nsw.gov.au

Yours sincerely
